# My New Pet

I got a new pet last week. It is a little cat. I named her Mia. Mia has soft white fur and big blue eyes. Every morning, Mia jumps on my bed to wake me up. We play with a small red ball in the yard. She chases it when I throw it. At lunchtime, I give her a bowl of milk. She purrs loudly when she drinks. Mia loves to sit by the window and watch the birds. At night, she sleeps at the foot of my bed. I am happy to have Mia as my pet.
