The Mystery of the Missing Socks

Every time Jane did laundry, some socks went missing. One sunny day, she decided to investigate. After washing, she counted the socks and found two missing. Searching, she peeked behind the washing machine. To her surprise, she found a nest of socks! A playful kitten popped out, holding a sock in its mouth.

Questions

1. What always went missing when Jane did laundry?
2. What did Jane decide to do one sunny day?
3. How many socks were missing that day?
4. Where did Jane find the missing socks?
5. Who was responsible for the missing socks?
