Winter's First Snow

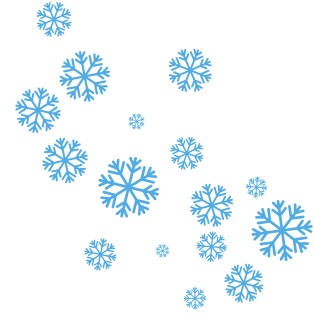

Sam awoke to a world blanketed in snow.

He rushed outside, feeling the cold

crunch under his boots. With glee, he

made snow angels and had a snowball

fight with friends. By noon, they'd built the tallest snowman in the neighborhood, complete with a carrot nose.

Questions

1. What did Sam see when he woke up?

2. What did Sam feel under his boots?

3. What did he do in the snow with his friends?

4. What did they use for the snowman's nose?

5. What time of day did they finish the snowman?
