The Little Robot Friend

For a school project, Max created a robot named Sparky. Sparky could sing and dance. One day, Sparky seemed sad. Max realized robots had feelings too. He decided to make another robot friend for Sparky. They danced together, and Sparky beamed with joy.

Questions

1. What was the name of Max's robot?
2. What could Sparky do?
3. How did Sparky feel one day?
4. What did Max realize about robots?
5. What did Max do to make Sparky happy?
