A Surprise in the Garden

Lucy and Tom tended their garden every day. One morning, they spotted a strange plant they didn't remember planting. Its flowers changed colors! They watched in wonder as it went from blue to purple to gold. They named it the 'Magic Bloom.'

Questions

1. Who tended the garden every day?
2. What did Lucy and Tom find in their garden one morning?
3. How was this plant different from the others?
4. What did they name the mysterious plant?
5. What colors did the flowers of the plant turn into?
