# The Rainy Day Adventure

Rain tapped on the windows. Bored, Jack and Rose decided to go on an indoor adventure. Using blankets, they built a jungle fort. With toy animals, they imagined wild safaris. By evening, their living room had transformed into an enchanted forest.

## Questions

1. Why did Jack and Rose decide to go on an indoor adventure?
2. What did they use to build their fort?
3. What did they imagine with their toy animals?
4. What did their living room transform into by evening?
5. What was the weather like outside?
